

2008

COMPLETE (LEVEL II) AND COMPACT COURSES

Course TYPE	START DATE	END DATE
COMPLETE COURSE	15.09.2008	14.11.2008
COMPACT COURSE	22.09.2008	26.09.2008

Unfortunately, we have had to make changes of the schedule for the courses at the cmr academy for 2008.

This is because a number of our MDs are in rotation in other institutions and despite this we need to guarantee the everyday clinic activity at the German Heart Institute. The new scheduling for the courses in 2008 will give you the guarantee of the quality you expect from us. In 2009 we will offer two complete courses (level 2).

COMPLETE COURSES

The Complete Course covers all indications for cardiovascular MR in theory (lectures, case discussions) and praxis (patient viewing). It will give you in depth insight into MR physics to enable you to understand artifacts and optimize sequences. You will have access to the scanner working in a small group to obtain hands-on experience and learn tricks for trouble-shooting. Postprocessing workstations are available for your use. The Complete Course is certified by SCMR and the German Cardiac Society as a level II course.

The course fee for the Complete Course is € 22.000,-

According to § 4 No. 21 a) bb) UStG we can offer our courses tax-free.

The Complete Course contains the Compact Course, which can also be booked independently.

COMPACT COURSE

The price for our 5 days compact course is 3.000,- Euro - without accommodation.
